Hamilton Southeastern Education Foundation (HSEF) was formed in 2001 to benefit every student, every grade, and every school within HSE Schools. HSEF is rooted in innovation and the mission to bring the next best practices in education home to local students and teachers. When you choose to support HSEF, you choose to invest in all 22 schools and nearly 22,000 students. Your annual sponsorship helps fund innovative teacher and student led projects that benefit local schools, as well as student scholarships and district-wide projects.

We are confident you will find a partnership with the HSEF to be a rewarding, tax-deductible investment. For more information on annual sponsorship benefits, please reference the reverse side or visit HSEFoundation.org/Sponsor.
