

OUR MISSION

Hamilton Southeastern Education Foundation enhances educational opportunities, inspires excellence and engages the community to foster a legacy of achievement.

The 2026-2027 school year will mark the 25th anniversary of the Hamilton Southeastern Education Foundation (HSEF) making an impact across all HSE Schools. HSEF is rooted in innovation and the mission to bring the next best practices in education home to local students and teachers. When you choose to support HSEF, you choose to invest in all 22 schools and nearly 21,000 students. Your annual sponsorship helps fund innovative teacher and student led projects that benefit local schools, as well as student scholarships and district-wide initiatives. We are confident you will find a partnership with HSEF to be a rewarding, tax-deductible investment.
